Subject: Conversation with LaPoma, Jennifer

Salkie, Diane 9:08 AM:

kymberlee and Barb of CSTAG asked if there was a revised agenda since we added our presentation finish to after stakeholders leave. I said no

LaPoma, Jennifer 9:09 AM:

do they want us to revise it and send it to them?

Salkie, Diane 9:09 AM:

that seems silly in my opinion

LaPoma, Jennifer 9:09 AM:

ok

Salkie, Diane 9:09 AM:

I said Jen left an open hour in the agenda and we now have something to fill it

LaPoma, Jennifer 9:10 AM:

good thing I hyper managed the agenda like that :)

Salkie, Diane 9:17 AM:

They have a time limit right?

LaPoma, Jennifer 9:18 AM:

they were told they have 20 min to present and 10 minutes for question. We have stakeholder time slot until 11 am including questions

LaPoma, Jennifer 9:18 AM:

he is on slide 13/17

LaPoma, Jennifer 9:18 AM:

I dont think it makes sense to cut him off
